

TASK-03: ANALYZE COMPETITOR SOCIAL MEDIA STRATEGIES

By
Donnica s

ABOUT THE BRAND – THE INDIAN WARDROBES

The Indian Wardrobes is a handcrafted Indian fashion brand that celebrates the beauty of traditional craftsmanship with a modern touch. The brand brings together timeless ethnic designs, rich fabrics, and skilled artisan work to create elegant outfits for today's generation. Focused on culture, creativity, and quality, The Indian Wardrobes tells the stories behind every handmade piece while offering fashion that connects heritage with contemporary style.
