The Taste of India

Amul

is

Real Milk. Real Ice Cream.

Brand Overview: Amul Ice Cream

Amul Ice Cream is a popular Indian dairy brand owned by Gujarat Cooperative Milk Marketing Federation (GCMMF). It is known for its quality, affordability, and wide range of ice cream flavours. The brand focuses on providing enjoyable and delicious ice cream experiences for customers of all ages.

PROJECT RANGE:

This project focuses on identifying suitable influencers for Amul Ice Cream's brand collaboration. It covers influencer selection based on their content style, audience demographics, follower reach, and engagement rate. The project aims to suggest influencers who can help increase brand awareness, promote products, and connect with target customers through social media campaigns.
